

Overview of McLane's 2025 Benefit Programs

Exempt Teammates

At McLane, we're proud to offer you a comprehensive benefits program that provides financial protection for any number of expenses – both expected and unexpected. Recognizing that we hire a diverse group of individuals, our benefit programs are designed to offer choices so that you can select the plans that best meet your needs, at prices you can afford.

Pay Your Way!

McLane offers a voluntary benefit through a third party vendor that allows you to access your pay when you need it most and plan for the future. Through a mobile app you are provided the tools you need to manage your money and hit financial goals without the hassle. It's your pay, your way!

Eligibility for Benefits

You become eligible for most benefits on your date of hire. You can also cover eligible dependents under certain plans, including:

- **Legal spouse**
- **Eligible children under age 26 for medical, dental, vision, and child life**
- **Physically or mentally disabled children of any age**

Medical

You may choose from several types of plans for your medical care needs:

- **Preferred Provider Organizations (PPOs)** – High Deductible Health Plan, In-Network Only, Core, and No Deductible Plans from Blue Cross Blue Shield
- **Health Maintenance Organizations (HMOs)** – Available in California and Georgia

All the medical plan options cover similar medical services, including preventive care, office visits, prescription drugs and inpatient hospital stays. The plans differ in the amount you pay for out-of-pocket expenses like copays and deductibles, as well as per-paycheck deductions for coverage. Prescription services are provided by Express Scripts and are included with your BCBS medical coverage.

Flexible Spending Accounts

The Flexible Spending Accounts (FSAs) we offer allow you to save taxes on the money you spend for out-of-pocket health care or dependent daycare expenses. If you choose to enroll, any amounts you contribute are taken out of your paycheck pretax, so you pay less in overall taxes.

The three FSAs we offer and the amounts you can contribute each calendar year are:

- **Health Care FSA** – You may contribute anywhere from \$150 to \$3,200 per year.
When you contribute to Health Care FSA, you'll receive a debit card to pay for eligible expenses directly at the point of service: for medical, prescription, dental, and vision charges. This means you can avoid paying up front and having to wait for a reimbursement check. If you use the debit card, you may be required to send in receipts for your purchases, so please save all receipts.
- **Limited Purpose FSA** – You may contribute anywhere from \$150 to \$3,200 per year.
This FSA is for teammates enrolled in the HDHP with the Health Savings Account (HSA). This FSA is similar to the Healthcare FSA and helps you pay for eligible dental and vision care expenses only since medical expenses are eligible through the HSA.
- **Dependent Daycare FSA** – You may contribute anywhere from \$150 to \$5,000 per year (or \$2,500 if you are married and you and your spouse file separate income tax returns) for caregiver costs for dependent care expenses while at work.

401(k) Plan

McLane offers a competitive 401(k) plan to help you save for retirement. You are eligible to participate in the 401(k) plan after 90 days of employment and will be automatically enrolled with a 3% contribution rate, unless you indicate otherwise during the initial enrollment. You can contribute from 1% to 50% of your eligible pay, up to IRS and plan limits for the year.

McLane may offer a matching contribution based on profits for the year. New hires are only matched on amounts contributed after achieving one year of service. The matching contribution you may receive from McLane is based on years of service, as shown here :

YEARS OF SERVICE	PERCENTAGE McLANE MATCHES
1-6 years	3% of eligible pay
7-14 years	3.5% of eligible pay
15 or more years	4% of eligible pay

Vesting

Your contributions always belong to you. McLane's matching contributions become yours based on this vesting schedule:

YEARS OF SERVICE	PERCENTAGE FULLY VESTED
Less than 2 years	0%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%
