## How it Works

1

### Schedule your consultation.

Meet with one of our licensed health advisors  
at your preferred date/time

2

### Explore your healthcare options.

Our advisors provide health insurance plan  
recommendations to meet your needs, balancing  
quality and affordability.

3

### Plan your enrollment transition.

Advisor-guided planning ensures stress-free  
transitions to Medicare or the Individual  
Marketplace

4

### Enroll in your plan of choice.

You'll receive step-by-step guidance through the  
entire enrollment process.
